

MECHANICAL / WORKSHOP PRODUCT RANGE

A guide for recommended AutoSmart
Australia products for use in mechanical
workshops.

ABOUT US

THE AUTOSMART DIFFERENCE

For over 25 years AutoSmart Australia has been at the forefront of the vehicle maintenance industry, providing businesses with vehicle cleaning, servicing/maintenance and mechanical workshop chemicals and accessories. We design and manufacture all our own products, providing users with a range that offers unrivalled performance, quality and value.

Science is the heart of our success.

AutoSmart has unrivalled expertise in the science of vehicle cleaning and automotive maintenance. We have an extensive international research program, conducted in conjunction with industry and government bodies as well as leading universities. As you would expect from the experts, we have used this knowledge to formulate a range of products to meet the specific needs of the vehicle cleaning, servicing and maintenance industry. We continue to develop and improve our range to maintain our market leading quality, staying ahead of market trends and industry changes.

Excellence is Recognised.

OUR HISTORY...

AutoSmart Australia was founded in 1996 and started franchising in 1999. It has since grown to be Australia's largest trade supplier with over 35 franchisees nationwide. We are the only manufacturer to market in every state, from Darwin to Adelaide, Perth to the Sunshine Coast, we have you covered. Our goal is to help customers find the best products to suit their individual needs from our extensive range. We develop and manufacture all of our own products and distribute them exclusively throughout the country by our national network of franchisees.

AN INTRODUCTION TO OUR RANGE

Over the years, we have developed a comprehensive range of products to assist your business with vehicle cleaning chemicals, workshop cleaning, mechanical servicing, maintenance chemicals, aerosol lubricants and paints. AutoSmart products are the number one choice for trade professionals in Australia. With the wealth of our experience across the vehicle maintenance industry, we have the best products to suit all your industry requirements.

OHS & THE ENVIRONMENT

AutoSmart Australia has undertaken several reviews to look at reducing our carbon footprint. One of our greatest initiatives has been to reduce the amount of plastic packaging we buy. It is our network's policy for each franchisee to recover empty plastic cubes used to hold our products and reuse/refill where possible. We also only purchase re-conditioned 200L drums and 1000L totes. Along with our packaging initiatives many of our key products are quick-break and biodegradable. Looking after our environment is key to our business operations and we take it extremely seriously.

We have taken big steps to ensure we comply to current laws and legislations. The Globally Harmonised System (GHS) came into effect on 31st December 2016. The introduction of the GHS has led to changes in the requirements for packaging, labelling and product classifications of dangerous goods chemicals. AutoSmart have invested a great deal of time and resources into ensuring we are compliant with these changes.

Professional, trade quality products with unparalleled performance.

Support from your local franchisee is unmatched in the industry.

Many of our products are biodegradable and quick-break.

An amazing range of products for every vehicle on and off the road.

Designed under ISO certification to ensure quality and consistency.

All our products are concentrated for high economy.

OUR PRODUCTS

WATER BASED DEGREASERS & CLEANERS

HIGH PERFORMANCE DEGREASER

TRUCKSTEAM

Trucksteam is a versatile degreaser which is ideally used as an engine bay cleaner, easily cutting through baked on dirt, grease and oils. Trucksteam's alkaline formula can be highly diluted for economy. Trucksteam is often used as a floor cleaner for both manual and machine use. Trucksteam can be used as traffic film remover (TFR) when cleaning vehicles in a service wash application.

DETERGENT/ DEGREASER

JET DEGREASER

Jet Degreaser is a safe heavy-duty non-caustic degreaser, brilliant for use in removing baked on grease and oils from engines, chassis and transmissions. Ideal for removing organic matter such as dirt and mud on all off-road equipment such as motorcycles and ATVs. Jet Degreaser is designed for companies that require a non-damaging strong degreaser cleaner or are concerned about health & safety.

MULTI PURPOSE CLEANER

G101

G101 is an excellent multi-purpose cleaner and great all-rounder. Especially effective at cleaning floors, safe on painted surfaces and wheels, ideal for degreasing engine bay and bonnet areas. Use G101 to deep clean areas such as head linings, door panels and fabrics. Safe on interiors, G101 is the ideal product to remove any grease and oils introduced to the interior of the vehicle during the servicing process. G101 can be used as a general traffic film remover (TFR) when cleaning vehicles in a service wash application.

NATURAL CITRUS BASE

CITRATECH

Citratech is a citrus based, non-flammable solvent cleaner and degreaser for the safe and effective removal of heavy deposits, such as tar, bitumen, grease and adhesives. It is designed for companies that need a solvent cleaner with a slow evaporation or are concerned about potential ignition sources causing fires risking health & safety. Great as a non-flammable parts washer fluid.

SOLVENT BASED DEGREASERS AND CLEANERS

BRAKE CLEANER

BRAKE CLEANER

Brake Cleaner is a versatile quick evaporative, residue free solvent cleaner designed for cleaning brake discs and rotors and wetting out brake dust for safe removal. Perfect for preparing surfaces for sealants and adhesives. Autosmart brake cleaner is ideal for light degreasing where a quick clean-and-dry is required.

BRAKE CLUTCH & ELECTRICAL

BCE

BCE rapidly removes dirt, brake fluid, oil and grease from brakes, clutches and electrics. BCE comes into to own as a brilliant contact and electrical cleaner. BCE dries rapidly evaporating completely leaving a residue free contact, minimising the chance of poor electrical connectivity and the possibility of ignition.

DE - WAXER

WAX ATTACK

Wax Attack is a low cost hydrocarbon based solvent degreaser which effectively removes fresh grease and oil spills from engines, chassis and transmissions. Wax Attack is ideal for washtubs and general parts cleaning.

HEAVY DUTY DEGREASER

PLUS 10

Plus 10 is a high strength hydrocarbon based solvent degreaser which effectively removes fresh grease, oils and spills from engines, chassis and transmissions. Plus 10 is used neat, sprayed onto the desired surface, brushed, then rinsed forming an emulsion or simply left to evaporate. Ideal for washtubs and general parts cleaning. Plus 10 contains rust inhibitors and will not affect painted surfaces or rubbers.

Note: Plus 10 is also available in a low flammable version called Low Flash Plus 10. Perfect for use where the risk of ignition is present or for businesses who wish to minimise work place risk

PENETRATING LUBRICANTS, WATER DISPLACERS & PROTECTIVE COATINGS

MECHOIL

Mechoil is a superior 4 in 1 lubricant & maintenance spray which protects against corrosion.

1. Drives out moisture from electrics. Invaluable when wet engines won't start or to protect trailer lights from the effects of damp weather.
2. Penetrates - rapidly loosens corroded parts which makes it ideal for exhaust manifold studs.
3. Lubricates - stops squeaks, restores smooth operation and is an ideal lubricant for all lathe and metal cutting jobs.
4. Protects - leaves long lasting anti-rust coating.

LANOLIN DRESSING

Lanolin Dressing is a heavy-duty lanolin-based lubricant made with high-grade oil. Lanolin Dressing is an effective water dispersant and leaves a long-lasting anti-corrosive film.

MULTILUBE

Multilube is an advanced synthetic lubricant containing P.T.F.E. It adheres strongly to surfaces to reduce fling. Multi-Lube forms a waterproof barrier to prevent lubricant washout and corrosion. Perfect for use as a dry lube for curtain tracks and rollers.

OUR PRODUCTS

WINDSCREEN WASHER FLUID

ECONOMICAL WINDSCREEN WASH

WINDSCREEN WASH FLUID

Windscreen Washer fluid is a multi-purpose screen wash concentrate. Removes insect debris, clears salt spray, traffic film and dirt without smearing the windscreen. Dilute from 1:5 to 1:30.

WINDSCREEN WASH

CLEAR VIEW

Clear View is a multi-purpose screen wash concentrate with anti-freeze properties, protecting down to -15 degrees centigrade. Clear View removes insect debris, clears salt spray, traffic film and dirt without smearing the windscreen. In winter, Clear View can be used to de-ice screens and locks. SUMMER USE: Dilute 1:40. WINTER USE: Dilute 1:5 to protect to -7°C. Use neat to protect to -15°C.

GLASS CARE

SMART GLASS

Smart Glass is an effective high strength sprayable glass cleaner, which is the fastest way to clean glass. Smart Glass's ammonia and streak-free formulation removes road film, insect smear, tobacco & general glass haze.

GLASS GLEAM

Glass Gleam is an economical glass cleaner. The ammonia and streak-free formulation removes road film, insect smear, tobacco & general glass haze.

GLASS GLOW

Glass Glow is a heavy-duty powerful cream glass polish. Easy to apply and remove, with none of the dusting of inferior formulations. Glass Glow removes tough nicotine, crayon & label residues giving fast, smear free results and will prevent fogging.

20/20

20/20 is our aerosol glass cleaner that when dispensed creates a foam which penetrates and lifts contaminants including road film, insect smear, tobacco & general glass haze.

20/20 is convenient and fast, giving clean smear free results.

OUR PRODUCTS

FLOOR CLEANING

FLOORSMART CLEANSE

Floorsmart Cleanse is a heavy duty, low foaming floor cleaner degreaser designed primarily for machine use. Floorsmart Cleanse can also be pre-sprayed onto heavily soiled areas and for everyday cleaning. Floorsmart Cleanse is our premium strength floor cleaner offering maximum dilution performing where other detergents fail, cutting effortlessly through grease.

TRUCKSTEAM

Trucksteam is a multi-use product, with one such use being as a heavy- floor cleaner cutting through and breaking down grease and oils. Trucksteam can also be used in automated floor machines leaving a dry, non-slip finish..

G101

G101 is an excellent multi-purpose cleaner and great all-rounder. Especially effective on hard surfaces, particularly when cleaning workshop floors. G101 will easily cut through grease and oil leaving a dry, non-slip finish. Perfect for cleaning kitchens, bathrooms, showrooms and tiles floors.

AIRFRESHENERS

AUTOFRESH

Autofresh is our bulk liquid air freshener designed to mask malodours leaving cars with a fresh pleasant smell. Use on cabin filters when changed or when malodours are present.

BLAST

Blast is a convenient aerosol air freshener with our unique high-pressure flow tip. One quick blast is enough to deodorize a car. Available in Berry, Bubblegum, Cool and Passion. Use on cabin filters when changed or when malodours are present.

HANGING AIRFRESHENERS

Autosmart have scent impregnated air hangers available in lemon, vanilla, sport and stress relief.

ODOUR ELIMINATOR

Odour Eliminator is a unique deodorising air freshener containing a silver biocide designed to destroy bacterial growths. Odour Eliminator is ideal for treating the air vents where bacteria can grow and proliferate. One application of Odour Eliminator will destroy the bacteria and leave a silver biocide coating which prevents bacterial regrowth. Use on cabin filters a when changed or when malodours are present.

OUR PRODUCTS

ACID BASED CLEANERS

CLEANER & BRIGHTENER

ALI EXTREME

Ali Extreme is acid-based cleaner designed for cleaning and brightening metals and aluminium, ideally used as mag wheel cleaner in service wash applications.

Ali Extreme can also be used to clean and brighten engine alloy parts after parts washing.

SPOT REMOVER FOR FABRICS

SPOT REMOVER

SMART SPOT

SmartSpot is a pleasant-smelling hydrocarbon solvent spot remover containing a variety of citrus oil. Smart Spot was designed to gently break down oils and grease from fabrics.

HIGH STRENGTH SPOT REMOVER

PREPTONE

Preptone is our premium high strength hydrocarbon solvent spot remover, designed for use on heavily soiled fabrics. Preptone will break down grease and oil, leaving a dry to touch finish.

MULTI PURPOSE CLEANER

G101

Multi Purpose Cleaner is an excellent multi-purpose cleaner and great all-rounder. Especially effective at safely removing oily fingerprints and grease marks accidentally left from technicians.

HAND CLEANERS

EXTRA HANDS

Extra Hands is a powerful heavy-duty hand cleaner with a great citrus fragrance. Extra Hands is lanolin free and contains a natural mineral scrub. Non-solvent, Extra Hands easily cuts through grease and oils leaving hands feeling soft and non-slippery.

HAND & BODY SOAP

Hand and Body soap is a pleasant smelling, gentle, non-allergenic liquid soap. It conditions and moisturises skin as it cleans. Solvent free, Hand and Body Soap is designed for general use in customer washrooms.

CITRUS STRONGHANDS

Citrus Stronghands is a high strength solvent hand cleaner designed to remove heavy grease and oil deposits, effectively removing contaminants from diesel oil. Citrus Stronghands has a pleasant orange smell.

COLOUR OFF

Colour Off is a powerful hand cleaner for removing paints, inks and adhesives. Free from harmful solvents, it contains soft scrub particles to remove ingrained soiling.

ULTRA GRIT

Ultra Grit is a coarse high grit hand cleaner containing a natural mineral scrub designed to remove heavy duty grease and oil deposits. Effectively removes diesel oil stains.

BARRIER CREAM SUPER HANDS

Super Hands is a before and after work barrier cream designed to seal and protect hands from the effects of grease and oil. Super Hands applies a barrier preventing the grease and oil from drying the natural oils found in the skin. Once work is completed apply Super Hands to renourish skin.

HAND CLEANER DISPENSERS

UNRO & STEEL RACK DISPENSER Autosmart has made a custom wall mounted dispenser designed for our 5 litre hand cleaner buckets. The Unro dispenser and wall mounted steel rack is the most convenient dispenser for medium thickness hand cleaners.

THICK HAND CLEANER DISPENSER is designed for use with Ultra Grit and Citrus Strong Hands, as these products are extremely viscous and often harder to dispense in general hand dispensers.

SOFT SOAP HAND DISPENSER is a general washroom hand soap dispenser designed for use with Hand and Body Soap or any liquid hand soap.

STANDARD 5 LITRE & 20 LITRE HAND PUMPS can be used as a cheap alternative to a wall mounted dispenser. Simply insert the hand pump into the lid opening of the drum, screw in and pump to dispense.

JANITORIAL PRODUCTS

SINK TAP & TILE

Sink Tap & Tile is a powerful all-purpose washroom cleaner, which cleans sinks, tiles and toilet areas. An industrial strength formulation that is safe to use on stainless steel leaving taps and fittings looking like new. Removes unsightly stains, limescale and odours.

SENTRY

Sentry is a powerful cleaner for toilet areas. It is perfect for urinals, wash basins, tiles and stainless troughs. Safe for use on stainless steel, Sentry effectively removes limescale, leaving fittings sparkling clean.

PEAR DROPS

Pear Drops is a concentrated odour neutraliser, which is instantly effective against lingering odours in waste bins and drains. Leaves a pleasant, long-lasting fragrance.

DISINFECTANT

Disinfectant is available in lemon lime, eucalyptus and pine. Autosmart's disinfectant range is high strength for maximum dilution.

JANITORIAL ACCESSORIES

Our showrooms stock a full range of janitorial and cleaning accessories. Popular brands include, Vileda, E.D. Oates, Vikan and ABC Paper.

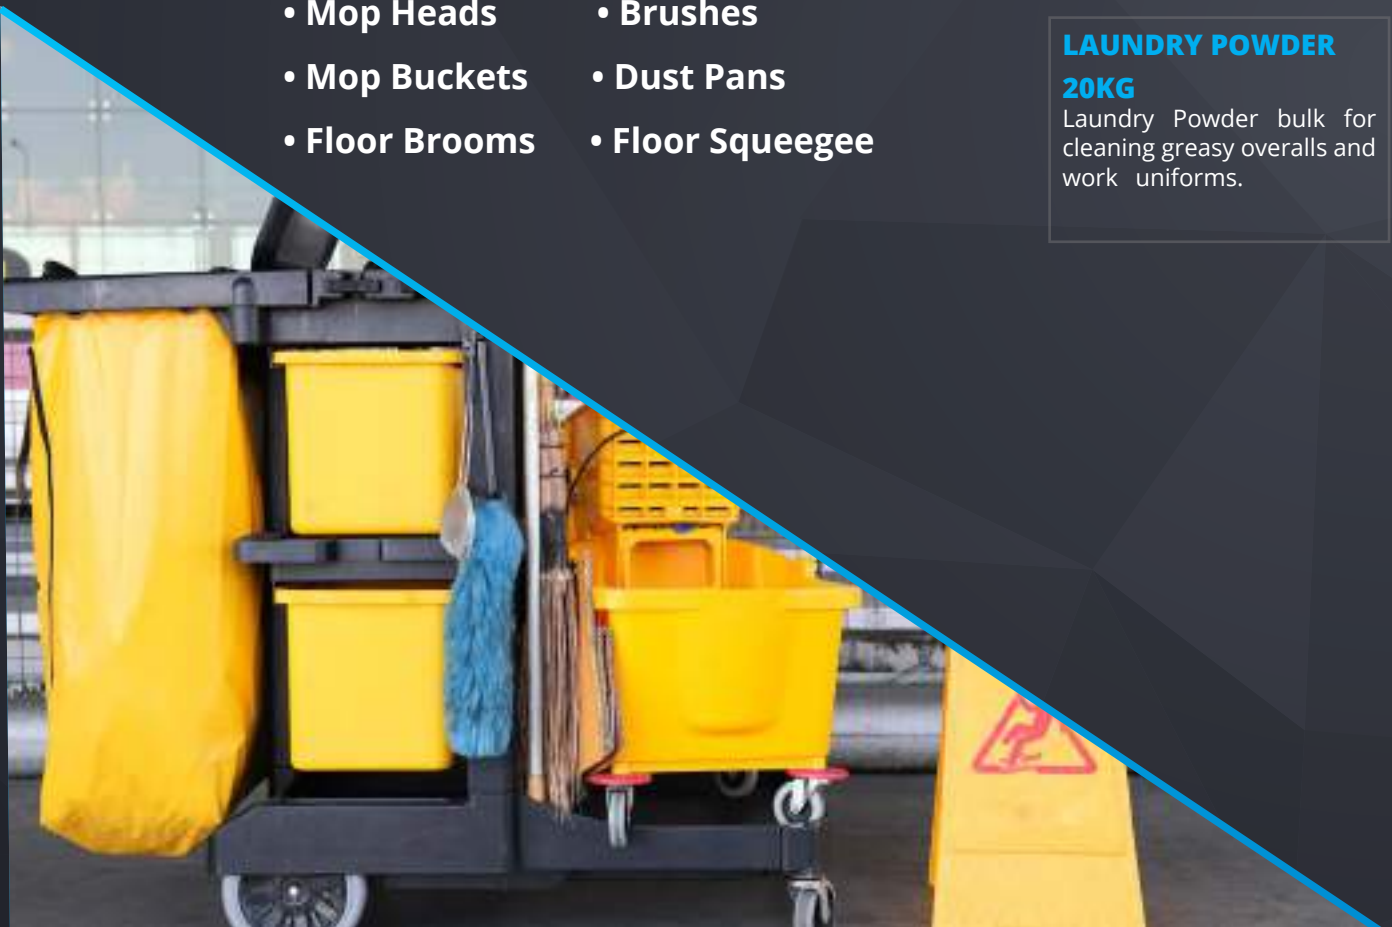

- Mop Heads
- Mop Buckets
- Floor Brooms
- Brushes
- Dust Pans
- Floor Squeegee

PAN DANDY

Pan Dandy is high strength dishwashing concentrate.

LAUNDRY POWDER 20KG

Laundry Powder bulk for cleaning greasy overalls and work uniforms.

AEROSOL DEGREASERS & CLEANERS

PLUS 10

Plus 10 is a high strength hydrocarbon based solvent degreaser which effectively removes grease and oil from engines, chassis and transmissions. Plus 10 is used neat, sprayed onto the desired surface, brushed then rinsed forming an emulsion or simply left to evaporate. Plus 10 contains rust inhibitors and will not affect painted surfaces or rubbers.

BCE

BCE rapidly removes dirt, brake fluid, oil and grease from brakes, clutches and electrics. BCE comes into its own as a contact and electrical cleaner. BCE dries rapidly evaporating completely leaving a residue free surface, minimising the chance of poor electrical connectivity.

FUEL INJECTOR CLEANER

Fuel Injector Cleaner is a carburettor & injection system cleaner, which cleans accumulated carbon deposits from carburettors, fuel injection systems and automatic chokes. Fuel Injector Cleaner is safe on rubber seals and is suitable for use on catalytic converters and removing varnish & gum residues. Fuel Injector Cleaner improves running efficiency & fuel economy without dismantling.

MISCELLANEOUS AEROSOL

BATTERY TERMINAL PROTECTOR

Battery Terminal Protector has a thick blue formulation which is designed to create a protective long-lasting film over battery terminals, helping to prevent corrosion.

BRISK

Brisk is a convenient dry foam upholstery & fabric cleaner, containing fabric brighteners, conditioners and biocides to restore appearance and leave a 'fresh' smell. Brisk can be used to clean hand marks and fingerprints introduced when completing service work and repairs.

AEROSOL PRODUCTS

MECHOIL

Mechoil is a superior 4 in 1 lubricant and maintenance spray which protects against corrosion. Mechoil won't wash off easily leaving a long-lasting rust protective coat.

1. Drives out moisture from electrics. Invaluable when wet engines won't start or to protect trailer lights from the effects of damp weather.
2. Penetrates - rapidly loosens corroded parts which makes it ideal for exhaust manifold studs.
3. Lubricates - stops squeaks, restores smooth operation and is an ideal lubricant for all lathe and metal cutting jobs, including cylinder block honing, etc.
4. Protects - leaves long lasting anti-rust coating.

LUBRICE

Lubrice is a long-lasting, anti-fling spray grease lubricant with PTFE. Lubrice penetrates like an oil and sets like a grease protecting against corrosion. Ideal for clutch and brake cables, chains, check straps, wire ropes, bearings, hinges and lock mechanisms. Produces a high lubricity film with excellent anti-fling properties. Brilliant for use loosening corroded bolts and fittings.

COPPER HI - TEMP

Copper Hi Temp, is a high copper based lubricant which is temperature resistant to 800 °c. Copper Hi Temp can be used to prevent bolts from seizing, used as a lube where hi temperatures are experienced. Ideal for wheel stud lubrication, spark plug threads, brake calliper slides, brake adjusters and all exhaust and turbo work.

MULTILUBE

Multilube is an advanced synthetic lubricant containing P.T.F.E. It adheres strongly to surface to reduce fling and forms a waterproof barrier to prevent lubricant washout and corrosion. Perfect for use as a dry lube on sunroof runners, door hinges, side skirt runners and stopping squeaking on belts.

SILICONE LUBRICANT

Silicone Lubricant is an effective lubricant for rubbers and plastics. Used for all round lubrication of hinges, window channels, winding mechanisms, steering columns and rubber bushes, as well as eliminating dashboard squeaks. Anti-static & non-staining, Silicone Lubricant lubricates & protects plastics, vinyl & prevents rubber seals from sticking. Great for use lubricating bushes and rubber ball joints when locating them into arms.

WHITE GREASE

White Grease is a premium grease lubricant that is clean and effective maintenance grease. White Grease sprays on like a penetrant but sets like grease. Excellent for hinges, catches and for parts that are being reassembled. Waterproof formulation lubricates & protects. Contains solid lubricant for anti-seize protection. Non drip with excellent adhesion. Use on D shackles, suspension components, chains, linkages, bearings, cams, runners & cables. Also suitable as a battery terminal protector.

The Autosmart range of paints is designed to give great results when touching up or rejuvenating engine parts, wheels and car accessories. Fast, one coat coverage means that each can goes a very long way. Resistant to heat & oil and is suitable for metal & plastic. Covers in just one coat & dries quickly to give a smooth, even finish.

- **Matt Black**
- **Silver Alloy**
- **Gloss Black**
- **Silver King**
- **Satin Black**
- **White Gloss**

GREY PRIMER

Grey Primer is resistant to heat & oil and is suitable for metal & plastic. Covers in just one coat & dries quickly to give a smooth, even finish.

ZINC GALVA

Zinc Galva is a zinc primer coating which prevents corrosion of newly welded fittings. Extremely durable and heat resistant. Ideal for chassis modification or repairs. Quick and easy to apply.

ACCESSORIES

THE AUTOSMART ACCESSORY RANGE

Our mobile showrooms are stocked with a varying range of accessory items. Here are some of the categories we cover, consult your local Autosmart Franchisee for specific products:

SAFETY: We stock a full range of industry specific PPE, ranging from safety glasses, P2 dust masks, Tyvek overalls.

GLOVES: We stock a varying selection of protective gloves ranging from heavy duty black nitrile gloves, latex gloves, rubber gloves and reusable workshop gloves.
