

HEAVY INDUSTRY PRODUCT RANGE

A guide for recommended Autosmart
Australia products for use in heavy
industries.

ABOUT US

THE AUTOSMART DIFFERENCE

For over 35 years Autosmart International has been at the forefront of the vehicle cleaning industry. We design and manufacture all of our own products to provide users with a range that offers unrivalled performance, quality and value.

Science is the heart of our success.

Autosmart has unrivalled expertise in the science of vehicle cleaning. We have an extensive international research program, conducted in conjunction with industry and government bodies as well as leading universities. As you would expect from experts, we have used this knowledge to formulate a range of products to meet the specific needs of the vehicle cleaning and detailing industry.

Excellence is Recognised

OUR HISTORY...

Autosmart Australia was founded in 1996 and started franchising in 1999. It has since grown to be Australia's largest trade supplier with over 35 franchisees nationwide. We are the only manufacturer to market in every state, from Darwin to Adelaide, Perth to the Sunshine Coast, we have you covered. Our goal is to help customers find the best products to suit their individual needs from our extensive range. We develop and manufacture all of our own products and distribute them exclusively throughout the country by our national network of franchisees.

AN INTRODUCTION TO OUR RANGE

Over the years, we have developed an amazingly comprehensive range of products to keep your vehicle looking its absolute best. Autosmart products are the number one choice for trade professionals in Australia. With the wealth of our experience in the vehicle cleaning industry we understand the need to have products to suit all vehicles in all situations. From mining to rail, and yachts, we have the best product for the job.

OHS & THE ENVIRONMENT

Autosmart Australia has undertaken several reviews to look at reducing our carbon footprint. One of our greatest initiatives has been to reduce the amount of plastic packaging we buy. It is our networks policy for each franchisee to recover empty plastic cubes used to hold our products and reuse/refill where possible. We also only purchase re-conditioned 200L drums and 1000L totes. Along with our packaging initiatives many of our key products are biodegradable and quickbreak. Looking after our environment is key to our business operation and we take it extremely seriously.

We have taken big steps to ensure we comply to current laws and legislations. The new Globally Harmonised System (GHS) that came into effect this year has seen a great deal of change within the industry. All the requirements of packaging, labelling and product classification have been updated relative to this system and we have invested much time and resources into ensuring we are compliant with these changes.

Professional, trade quality products with unparalleled performance.

Support from your local franchisee is unmatched in the industry.

Many of our products are biodegradable and quick-break.

An amazing range of products for every vehicle on and off the road.

Designed under ISO certification to ensure quality and consistency.

All our products are concentrated for high economy.

OUR PRODUCTS

DEGREASERS

This is our key selection of degreasers to clean up your heavy machinery.

DEGREASER **WATER BASED**

TRUCKSTEAM

An Autosmart classic which has been our biggest selling waterbased degreaser for the last 15 years.

It is an acid free rapid penetrator and remover of road grime, oils and greases. It is ideal for wash systems, lower panels and is a fantastic tyre & wheel spray.

As stated, it is an absolute classic. Tough, tried and tested by almost every industry we have ever provided to, it is guaranteed to work hard for you to clean your fleet to look its best.

WHEEL KING

Is a relatively new member of the Autosmart family and was developed in conjunction with our R&D team in the UK.

Wheel King is a heavy duty, acid free degreaser & wheel cleaner. It features a foaming 'high cling' formulation with excellent deep cleansing performance. Easily removes stubborn brake dust and grime.

Wheel King is a robust aluminium and mag wheel cleaner. Excellent at removing brake dust and red dust from wheels

DEGREASER **SOLVENT BASED**

PLUS 10

Another Autosmart huge seller, Plus 10 is our primary solvent based degreaser and dewaxer.

It is a heavy-duty degreaser designed to easily penetrate and remove grease and oils from engines, chassis and transmissions. Plus 10 also emulsifies in water making for easy rinsing.

WHY CHOOSE AUTOSMART?

Autosmart Australia has an impressive range of degreasers, cleaners and detailing products to suit every application. Our recommendation for the Heavy Industry Range is based on our experience in the field over the last 35 years.

The sheer scale of the vehicles maintained on a daily basis puts users of any cleaning products at a high exposure rate, our recommendations limit the hazards to users whilst maintaining the best possible cleaning capability. Autosmart products are trade quality, being the number one choice in the trade Australia wide.

All our products are tried and tested in the field, providing unparalleled performance and economy.

OUR PRODUCTS

Our key selection of truckwash, cleaners & dressings for your heavy machinery.

TRUCKWASH

FLEETWASH

A highly concentrated truck and vehicle wash that is versatile and tough enough to take on any vehicle in your fleet.

It will easily break through layers of dirt and grime leaving behind a brilliantly clean surface.

Fleetwash is our biggest seller to fleet operators in Australia delivering strong cleaning power and unbelievable economy.

MULTI PURPOSE CLEANER

G101

The biggest selling multi-purpose cleaner on the Australian trade market.

G101 is an original Autosmart product first brought on board 35 years ago when the company was first developed.

Very little has changed over the years in its well kept secret formula. It remains one of the most versatile cleaners & degreasers available today, being highly effective for both exterior & interior applications including fabrics, plastics, vinyl and much more.

INTERIOR DRESSING

ARMOUR GLOW

A highly effective dressing designed to give high lustre and leave a brilliant finish. It is a water based silicone dressing designed to give maximum performance and finish on vehicles interiors and engine bays.

It can be used to dress any hard surface including rubber, plastic, metal, leather and wood. This product is pleasantly fragranced, re-odourising your vehicle at the same time. Helps protect against the harmful effects of UV exposure.

EXTERIOR DRESSING

EASYSHEEN

Our biggest selling exterior solvent dressing. Easy Sheen contains a specific combination of high quality silicone fluids to provide the best high gloss finish available.

It is our most versatile dressing, which leaves a weather resistant finish for all tyres, vinyl and plastics. Easysheen provides an unbeatable gloss and lustre.

OUR PRODUCTS

Our key selection of glass care products for your heavy machinery and hand care products for after work cleanup.

GLASS CARE

SMART GLASS

GLASS CLEANER

A high performance, quality sprayable glass cleaner which removes fingerprints, smearing and oily residues in one quick process.

Its advanced formulation cleans and shines whilst leaving streak free results. Smart Glass is a premium glass cleaner that is safe on plastics and rubber. This product is safe to use on all types of glass, including tinted glass.

CLEAR VIEW

WINDSCREEN WASH

A multi-purpose screenwash concentrate that effortlessly removes debris, traffic film and dirt without smearing the windscreen.

Clear View is another high performance Autosmart product that provides incredible value for money due to its level of concentration.

In winter, Clear View clears salt spray and de-ices screens and locks. It is capable of protecting down to -20 degrees Celcius.

HAND CARE

EXTRA HANDS

A powerful, heavy duty hand cleaner which is lanolin and solvent free. It contains a natural mineral scrub which provides amazing removal of oil, grit and grime from your hands.

Extra hands is one of our longest serving products that has survived the test of time. Its classic formulation provides powerful and effective cleaning power, yet is still gentle on skin.

HAND & BODY SOAP

A solvent free general purpose soap, gentle enough to be used for both hands and body washing. Hand & Body Soap contains skin conditioners and moisturisers to prevent your skin from drying out and features a pleasant fresh fragrance.

SUPER HANDS (BARRIER CREAM)

Touted as 'The Invisible Glove', Super Hands is a premium skin conditioner and moisturiser that, after application, provides a barrier against any solvent based chemicals you intend to be working with.

It provides a highly effective guard against paints, oils and grime, allowing for easy clean up after work.

SPECIALITY PRODUCTS

Our key selection of speciality products for your heavy machinery.

CONCRETE INDUSTRY

CONGO

CONCRETE CLEANER / REMOVER

Congo is a safe and effective product for removing concrete, cement, grout, quarry dust and limescale and is the perfect choice for customers that want to remove concrete or cement from expensive or delicate equipment and those concerned with Health & Safety.

It is safer and more pleasant to use than traditional acids that are used for concrete cleaning. It is extremely safe on a wide range of surfaces, such as paint, glass, plastics, rubber and metals, unlike strong acid products, which can cause corrosion.

WASTE MANAGEMENT SERVICES

TW66

DEGREASER / CLEANER

Tough cleaning power for removing heavy soiling, degreasing chassis, plant and machinery.

- Tough cleaning power for stubborn traffic film
- Advanced formulation cuts through grease and oil
- Ideal for chassis, engines, plant & machinery
- Biodegradable, solvent and phosphate free

PEAR DROPS

ODOUR ELIMINATOR

A concentrated neutraliser, instantly effective against lingering odours in dustbin, drain and kitchen areas. Leaves a pleasant, long lasting fragrance.

- Powerful industrial strength formulation
- Suitable for use in refuse & sewage treatment systems
- Excellent for bins, skips, drains & kitchens
- Instant & long lasting effect

BUS COMPANIES

CITRUS COACH CLEAN BUFFABLE FLOOR CLEANER

Coach Clean is a non-slip, buffable cleaner that is perfect for coach floors. It can also be used on hard floors found in offices, showrooms, washrooms and work areas. After application, Coach Clean can be buffed to a non-slip shine.

- Powerfully cleans and disinfects
- Suitable for all types of floor surface
- Buffs to give a non-slip shine
- Ideal for showrooms, washrooms and work areas

JELSOL CHEWING GUM, GRAFITTI & LABEL REMOVER

Jelsol is a powerful, yet safe, aerosol cleaner ideal for the removal of chewing gum, graffiti and other adhesives. Its high cling formulation provides a high amount of dwell time allowing it to easily cut through the glues used on labels and stickers, dissolving and removing all adhesive residue & contaminants.

- Removes chewing gum & graffiti easily
- Safe for use on most surfaces
- Silicone free
- Ideal for label/sticker removal

RAIL INDUSTRY

STAINLESS STEEL CLEANER TEA STAIN REMOVER

Autosmart Stainless Steel Cleaner is a highly effective tea stain remover from stainless steel surfaces. It is ideal for removing rust staining from the sides of train carriages and other stainless steel components.

- Powerfully cleans and removes staining
- High cling gel formula
- Restores stainless steel surfaces
- Ideal for all stainless steel components & surfaces
