Marine Smart

AutoSmart's Marine Smart Range has been specifically designed for the marine industry. Marine Smart provides a complete range of cleaning and detailing products to maintain marine craft in top condition. From degreasing and descaling to washing and restoration, the Marine Smart range has you covered.

MARINE BARNACLE BLASTER

AVAILABLE SIZES
5L, 20L

Cleans inboard cooling systems eliminating marine based accumulations.

- Improves cooling system function and better engine efficiency.
- Breaks down and dissolves accumulations of barnacles, lime, rust, scale, and general marine deposits.
- Effective at removing marine deposits from heat exchangers, marine AC systems, bow thrusters, desalination water makers, propellers, pumps, piping, hulls, seacocks, sea strainer, and boat bottoms.

MARINE DEGREASER HD

AVAILABLE SIZES
5L, 20L

AutoSmart's Marine Degreaser HD removes marine-based grease and oils accumulations.

- Easy rinsing, quick break, and biodegradable.
- Will not mark or deteriorate metal finishes, including stainless and aluminium.
- Ideal for cleaning the workshop floor.

MARINE DESCALER RED

AVAILABLE SIZES
5L, 20L

AutoSmart's Marine Descaler dissolves and removes accumulations of barnacles, lime, rust, scale, and general marine deposits.

- Effective at removing marine deposits from heat exchangers, marine AC systems, bow thrusters, desalination water makers, propellers, pumps, piping, hulls, seacocks, sea strainers, and boat bottoms.

MARINE DESCALER YELLOW

AVAILABLE SIZES
5L, 20L

AutoSmart's Marine Descaler dissolves and removes accumulations of barnacles, lime, rust, scale, and general marine deposits.

- AutoSmart Marine Descaler is effective at removing marine deposits from heat exchangers, marine AC systems, bow thrusters, desalination water makers, propellers, pumps, piping, hulls, seacocks, sea strainer, and boat bottoms.

MARINE PLUS 10

AVAILABLE SIZES
5L, 20L

Quickly and safely removes marine-based grease and oils accumulations.

- Marine Plus 10 contains rust inhibitors.
- Safe on rubbers & plastics and will not affect rubber o rings and seals.
- AutoSmart's Marine Plus 10 evaporates and can be wiped away with a cloth.
- Will not mark or deteriorate metal finishes, including stainless and aluminium.

MARINE TEAK BRIGHTENER

AVAILABLE SIZES
5L, 20L

Marine Teak Brightener brightens and enhances the natural colours and wood grain.

- Brightens teak finishes preparing the surface for resealing.
- AutoSmart supply, use and recommend Semco brand Teac Sealants.

MARINE TEAK CLEANER

AVAILABLE SIZES
5L, 20L

Marine Teac Cleaner removes old stain and renews your valuable teak.

- Removes stains, greying and old coatings.
- Cleans and prepares the surface for part 2 in the Teac cleaning system.

MARINE PURPLE WASH & WAX

AVAILABLE SIZES
5L, 20L

Hyper concentrated, slightly acidic, super thick wash and wax detergent.

- The slightly acidic pH ~6 provides greater effectiveness at removing salt deposits in marine applications.
- Pleasant Bubble-Gum fragrance.
- pH balanced detergent for customers whose skin is affected by higher pH detergents.
- The phosphate free formula allows for a better environmental and OHS profile.
