CONTAINER SIZES

Maintenance

AutoSmart has developed a workshop range in close consultation with industry professionals. Every product is manufactured to the highest quality and excels in performance and value. From degreasers and parts washers to cleaners and screen washers, AutoSmart has the right product for the job.

ALL PURPOSE THINNERS

AVAILABLE SIZES
5L, 20L, 200L

A multi-purpose solvent thinner.

- Used for industrial cleaning, extensively in the mechanical and panel shop industries.

BCE

AVAILABLE SIZES
AEROSOL, 20L, 200L

Rapidly removes dirt, oil, and grease from brakes, clutches and electrics.

- Evaporates completely after use.
- BCE is ideally used as a residue free electrical contact cleaner.
- Available in aerosol or bulk.

BLACKSTEAM

AVAILABLE SIZES
5L, 20L, 200L, 1000L

A high strength alkaline degreaser.

- BlackSteam is suitable for removing heavy traffic films, grease, oil and carbon build up from mechanical componentry.
- Especially effective for cleaning workshop floors.

BRAKE CLEANER

AVAILABLE SIZES
5L, 20L, 200L, 1000L

Rapidly removes dirt, oil, and grease from brakes, clutches and electrics.

- Evaporates completely after use.
- "Wets out" brake dust for safe removal.

CITRATECH

AVAILABLE SIZES
5L, 20L, 200L, 1000L

Citrus based, non-flammable solvent cleaner and degreaser.

- Effective removal of heavy deposits of grease, oils and adhesives.
- Citratech greatly reduces the potential of combustion around ignition sources.

CLEAR VIEW

AVAILABLE SIZES
5L, 20L, 200L

A multi-purpose screen wash concentrate.

- Removes debris, bug squash, traffic film, and dirt without smearing the windscreen.
- Protects down to -20 degrees Celsius.
- Will not affect rubbers or wiper blades.

FUEL INJECTOR CLEANER

AVAILABLE SIZES
AEROSOL

Carburetor and injection system cleaner.

- Removes varnish and gum residues.
- Improves running efficiency and fuel economy without dismantling.
- Approved for use with catalytic converters and turbo chargers.

G101

AVAILABLE SIZES
5L, 20L, 200L, 1000L

A premium strength multi-purpose cleaner and degreaser, with a pleasant lemon lime fragrance.

- G101 is suitable for removing grease and oil from mechanical componentry.
- Highly effective for cleaning workshop floors.
- G101 can be diluted to safely clean grease and oil marks from interior plastic, vinyl trims and fabrics.

HIGH FLASH PARTS WASHER

AVAILABLE SIZES
5L, 20L, 200L, 1000L

High strength, non-flammable degreaser and parts washer.

- Quickly cuts through grease, oil and wax.
- High Flash Parts Washer greatly reduces the potential of combustion around ignition sources.

HIGH FLASH PLUS 10

AVAILABLE SIZES
5L, 20L, 200L, 1000L

High strength, non-flammable solvent cleaner and degreaser.

- Safe and effective removal of heavy oil and grease deposits from engine bays and mechanical componentry.
- High Flash Plus 10 greatly reduces the potential of combustion around ignition sources.

JET DEGREASER

AVAILABLE SIZES
5L, 20L, 200L, 1000L

Low hazard high strength low-caustic degreaser.

- Jet Degreaser is ideal for companies that require a non-damaging strong degreaser and are conscientious about worker health & safety.
- Jet Degreaser is excellent at cleaning fresh grease and oils.

PLUS 10

AVAILABLE SIZES
5L, 20L, 200L, 1000L

A highly effective solvent-based degreaser.

- Designed for the removal of heavy oil and grease deposits from engine bays and mechanical componentry.
- Plus 10 is fast acting and does not require rinsing, evaporating quickly.
- Plus 10 contains rust inhibitors and will not affect painted surfaces or rubbers.

SMART SCREEN WASH

AVAILABLE SIZES
5L, 20L, 200L

A multi-purpose screen wash concentrate.

- Removes debris, bug squash, traffic film, and dirt without smearing the windscreen.
- Will not affect rubbers or wiper blades.

SOLVENT B1

AVAILABLE SIZES
5L, 20L, 200L, 1000L

Multi-purpose solvent cleaner.

- Rapidly removes dirt, oil, and grease from brakes, clutches and electrics.
- Evaporates completely after use.
- "Wets out" brake dust for safe removal.

TRUCKSTEAM

AVAILABLE SIZES
5L, 20L, 200L, 1000L

A high strength alkaline degreaser

- Penetrates and dissolves baked on grease and oils from engine bays and mechanical componentry.
- TruckSteam can be used as a hard floor cleaner for both manual and machine use.

WAX ATTACK

AVAILABLE SIZES
5L, 20L, 200L, 1000L

A solvent-based degreaser

- Removes heavy oil and grease deposits from engine bays and mechanical componentry.
- Wax Attack evaporates quickly and does not require rinsing.
- Wax Attack contains rust inhibitors and will not affect painted surfaces or rubbers.

ZINC GALVA

AVAILABLE SIZES
AEROSOL

A zinc primer coating which prevents corrosion of newly welded fittings.

- Extremely durable and heat resistant.
- Ideal for chassis modification or repairs.
- Quick and easy to apply.

11.2

CONTAINER SIZES

Lubricants

AutoSmart's workshop lubricants are engineered to meet the highest standards, delivering long-lasting, heavy-duty lubrication and protection for all mechanical and service needs. Whether you're working on routine maintenance or heavy machinery, our lubricants ensure optimal performance and reliability, keeping your equipment running smoothly.

COPPER HIGH TEMP

AVAILABLE SIZES
AEROSOL

Aerosol-based temperature resistant grease containing a high level of copper.

- Copper Hi Temp can be used to prevent bolts from seizing.
- Used as a lube where high temperatures are experienced.
- Ideal for wheel stud lubrication, spark plug threads, brake caliper slides, brake adjusters and all exhaust and turbo work.
- Protects to +800°C.

COPPER HIGH TEMP PASTE

Temperature resistant grease paste containing a high level of copper.

- Copper Hi Temp can be used to prevent bolts from seizing.
- Used as a lube where high temperatures are experienced.
- Ideal for wheel stud lubrication, spark plug threads, brake caliper slides, brake adjusters and all exhaust and turbo work.
- Protects to +800°C.

LANOLIN DRESSING

AVAILABLE SIZES
5L, 20L, 200L

Lanolin Dressing is a heavy duty, anti-moisture, anti-corrosion lubricant made with a high-grade lanolin grease.

- Ideal for the mechanical and marine industry.
- The lanolin base film is a natural anti-corrosion compound.
- Lanolin Dressing is designed to stop electrolysis.
- Prevents oxidation and rust from forming on the surface.

LUBRICE

AVAILABLE SIZES
AEROSOL

A long-lasting, anti-fling spray grease lubricant with PTFE.

- Lubrice penetrates like an oil and sets like a grease protecting against corrosion.
- Ideal for clutch and brake cables, chains, check straps, wire ropes, bearings, hinges, and lock mechanisms.
- Produces a high lubricity film with excellent anti-fling properties.
- Brilliant for loosening corroded bolts and fittings.

MECHOIL

AVAILABLE SIZES
AEROSOL, 5L, 20L, 200L

Superior 4 in 1 lubricant and penetrant, which protects against corrosion.

- Drives out moisture- ideal for damp electrics.
- Penetrates- rapidly loosens corroded parts.
- Lubricates- stops squeaks & restores smooth operation.
- Protects- leaves long lasting anti-rust coating.
- Available in aerosol or bulk.

MECHOIL PLUS

AVAILABLE SIZES
AEROSOL

Mechoil Plus is a general-purpose penetrating and release agent.

- Lubricates and penetrates, breaking rust bonds whilst protecting against corrosion.
- Mechoil Plus is ideal for loosening chemical thread locking compounds.
- Acts as a moisture dispersant for all electrical switchgear.
- Excellent metal cutting fluid for thread tapping, drilling, and broaching.
- Effective lubricant for motorcycle, bicycle, and other chains.

MULTILUBE

AVAILABLE SIZES
AEROSOL

Multilube is an advanced synthetic lubricant containing P.T.F.E.

- It adheres strongly to surfaces, reducing fling, and forms a waterproof barrier.
- Prevents lubricant washout and corrosion.
- Perfect for use as a dry lube on sunroof runners, door hinges, side skirt runners and stopping squeaking on belts.

SILICONE LUBRICANT

AVAILABLE SIZES
AEROSOL

An effective lubricant for rubbers and plastics.

- Used for all-round lubrication of hinges, window channels, winding mechanisms, steering columns and rubber bushes.
- Eliminates dashboard squeaks.

WHITE GREASE

AVAILABLE SIZES
AEROSOL

Premium grease lubricant.

- Excellent for hinges, catches and for parts that are being reassembled.
- Non drip with excellent adhesion.
- Use on D-shackles, suspension components, chains, linkages, bearings, cams, runners & cables.
